Dr Michael Dixon, Co-Chair of the Social Prescribing Network and Chair of Council, College of Medicine, and National Clinical Social Prescribing Champion, NHS England
Panel session: Embedding the personalised care model across health and social care—what does this look like in practice and how can it be done?

This Q&A panel session will give delegates the opportunity to hear an overview of what it takes to deliver the personalised care model in local areas—questions from the audience.

Chair: Ian Dodge, National Director, Strategy and Innovation, NHS England

Panellists include:

- David Pearson, Lead, Nottinghamshire Integrated Care System (ICS), and Corporate Director, Adult Social Care Health and Public Protection, Deputy Chief Executive, Nottinghamshire County Council
- Glen Garrod, President, Association of Directors of Adult Social Services (ADASS), and Executive Director of Adult Care and Community Wellbeing, Lincolnshire County Council
- Dr Charlotte Augst, Group Partnership Manager, Richmond Group
- Dr Michael Dixon, Co-Chair of the Social Prescribing Network and Chair of Council, College of Medicine, and National Clinical Social Prescribing Champion, NHS England

1.00pm Lunch

2.00pm Animation: Personalised Care Model—an all age, whole population approach to personalised care

2.10pm Table sessions
Delivering a whole-population approach to personalised care: learn more about the specific programmes that help to deliver personalised care on the ground.

This session will give delegates the opportunity to learn more about the individual components of the personalised care model and ask further questions based on the earlier panel discussions and their area of concern.

3.10pm Questions and discussion

3.25pm The future of personalised care in the NHS
Simon Stevens, Chief Executive, NHS England

3.45pm Questions and discussion

4.00pm Close of conference
