Integrating Health and Social Care in Scotland

Alison Taylor
Head of Strategy and Delivery
Integration of Health and Social Care
Vision

• People are supported to live well at home or in the community for as much time as they can

• They have a positive experience of health and social care when they need it

The story so far . . .

• Enabling legislation
  – Community Care and Health (Scotland) Act 2002
  – NHS Reform (Scotland) Act 2004

• 2020 Vision for Health and Social Care

• Reshaping Care for Older People – Change Fund
Building blocks for integration

1) A guiding principle:

“. . . effective services must be designed with and for people and communities – not delivered ‘top down’ for administrative convenience”

The Christie Commission Report
Commission on the future delivery of public services, June 2011

2) A single commissioner and budget for health and social care

3) Legislation:
– The Public Bodies (Joint Working) (Scotland) Act 2014
Public Bodies (Joint Working) (Scotland) Act (2014)

- Principles for integrated health and social care
- Nationally agreed outcomes for health and wellbeing
- Integrated governance arrangements for health and social care: delegation to a body corporate or lead agency
- Integrated budgets for health and social care
- Integrated oversight of delivery
- Strategic planning
- Localities
Integrated Resources: approximate scale

Scotland Total =£12.3bn

Minimum to be delegated to Integration Authorities =£7.7bn

Legend:
- Hospital
- Community Health
- FHS & Prescribing
- Social Work

Minimum scope – hospital services

Proportion unplanned & planned (%)
Data for integration

Linked Health and Social care file at an individual service user level (Activity & Costs)

Partnership Access Via secure platform
Health and Social Care Integration

Supporting people to live well and independently at home or in a homely setting in their community for as long as possible

There’s no ward like home

The Scottish Government
