The new NHS: who can influence commissioning of services

**Greater Manchester health and social care devolution arrangements**

From 1 April 2016, leaders in Greater Manchester are taking greater control of the region's health and social care budget. This includes taking on delegated responsibility for several commissioning budgets previously controlled by NHS England. Other areas are also pursuing 'devolved' arrangements.

* Screening/immunisation programmes run by NHS England.

** In 2016/17 a total of 114 CCGs will have assumed full responsibility for the commissioning of primary medical care services under delegated commissioning arrangements. Nearly all CCGs are expected to have taken on delegated arrangements by 2017/18.
