Can Healthcare Change?

The Importance and Challenge of Clinical Leadership

http://vimeo.com/64728855
Aims:
- System Network

- Support delivery of tangible quality improvements

- Develop leadership capability of Clinical and Managerial leaders

Urgent Care in Bedfordshire

- To transform the care and treatment for people suffering from a long term condition.

- To deliver holistic, multidisciplinary care to frail, older people in a rapid access out-patient setting.
Change Leaders has meant to participants

Confidence

Knowledge, Understanding, Theory, Toolkit, Insight, Challenge

Self, Awareness, Success, Improved Outcomes, Friends, Tools, Equipped

Vision, Prepared, Enlightenment, Inspired, Energised, Development
Change Leaders has meant to my project
Change Leaders has meant to the NHS and my organisation
“Every system is perfectly designed to get the results it gets.”
